SEACRAFT OPEN HOUSE NEXT WEDNESDAY

THE NEW EXECUTIVE OFFICES OF SEACRAFT INC. IN WILMINGTON SQUARE.

The Open House, by which Seacraft Inc. of Wilmington is celebrating the opening of its new quarters, next Wednesday, promises to be an event that will be long remembered in Wilmington.

Station WORL, in co-operation with the fast growing company is providing a full day of entertainment for the guests of Seacraft, and such stars as Glenn Gray, nationally known orchestra leader, John Riatt, Broadway singing star, Harry Marchand, society band leader, and WORL personalities Bill Givens, Alan Dary and Bud Sawyer are to take a part in the festivities.

WORL will be broadcasting directly from Seacraft for a full four hour program.

In addition an Antique Car Calvacade is to motor from Boston to Wilmington, and other diversions are planned, including the awarding of \$850 in prizes.

3½ Years Old

The company, which is just 3½ years old, started business in Wilmington with a capital of \$3.50. Today its sales exceed half a million dollars annually.

Willis Lefavour of Glen Road, jokes that the company started in the town dump, where he met by chance Harold Hubby of Gunderson Road. Both men discovered a mutual interest in Scuba Diving.

The two men, with Bob Winchell of Lawrence Street began the manufacture of an underwater housing for a movie cam-

51 MORE NAMES FOR JURY LIST

51 more prospective jurors are soon to be named by the Wilmington Board of Selectmen. The names will be chosen from Wilmington residents of good repute within the next few weeks.

Revising the jury list is an annual task for the Selectmen. Some people who would like to be on the list never bother to tell the Selectmen, and others who don't want to serve find themselves named.

Those nominated will have a three year period during which they can be called for Jury duty, after which they cannot be named for the next three years.

WINNER OF 5 STATE & REGIONAL AWARDS

UNHAPPY ARE THE TRUCKERS

The man who operates a truck or two has an unhappy lot. He is convinced that the hand of everyone is raised against him. Everytime he turns around someone is protesting about his business - he is accused, for instance, of spilling gravel on the highways, he is accused of driving demon-like at 60 miles an hour down residential streets, either when all the children of a neighborhood are at play, or else at the hour of 3 o'clock in the morning.

But Wilmington's truckers, or some of them, are unhappy for other reasons.

In one case a man who, while not strictly local, has done a lot of work around these parts, is convinced that the town hall has directly intervened so that he is losing or has lost a job involving some thousands of yards of material. Perhaps the man is 100% wrong, but he thinks he has read the signs correctly.

Another case, involving a small operator, is the story of the excess materials from the Concord-Federal Street highway job. This man offered to truck away the excess material free of charge. He of course intended to sell the material, and make money, but the town would save the cost of truck hire.

Instead he stands unhappily on the sidewalk and watches town-hired trucks take away that material, and dump it on a private lot which is about a mile or more away.

Both as a taxpayer, and as a trucker he is an unhappy man.

THE 1961 TAX RATE

The \$67 tax rate announced Monday was no surprise. In effect it was predicted by this column last March, just before the Town Meeting while the Town Hall Moguls were talking \$70.

Readers will remember that after the Holy Budget was finally released from the Executive Sessions an error of \$28,487.84 was found by the Town Crier, and that the Town Crier was also critical of the predicted increase of valuation of taxable property.

Staticians were kept working in the Town Hall all day long, in an effort to prove the Town Crier wrong, and it is still a pretty good bet that no one would have known of the error if this column hadn't pointed it out. We can and have made mistakes, but not that time.

The predicted increase was given to the voters as \$645,785. Speaking conservatively the Town Crier said it would be at least \$800,000. It turned out to be \$1,562,710.

FUTURE TAX RATES

An increase of \$3 in taxes for 1961 need not be discomforting news for the taxpayers of Wilmington. Contiguous towns have announced a \$6 increase and others have announced even more.

Wilmington is quite comfortable thank you, and with proper care it can remain quite comfortable, tax-wise.

It is true we have the highest debt ratio in the Commonwealth, but this results from past planning. Wilmington has already paid for a part of the schools it must build. Other towns have hardly begun.

It is true we have more schools to build, and that we need a new library and a new town hall.

But thanks to the programs instituted under the Town Manager plan we have been able to take care of our burdens so far. And now we have Route 93, which is already proving to be of tremendous help.

There were several new industries in 1960 thanks to the combination of low taxes and the new highway, and others are knocking at the door.

With a good Planning Board to screen these industries the citizens need not worry too much

era, in Winchell's cellar. They had as assets \$3.50 and plenty of imagination. Within a few months they had expanded to the point where they had to hire space. Today they occupy 4500 square feet, in their off-Church Street location.

Seacraft, Inc. is today the largest distributor of under water equipment on the East Coast. They are agents for many of the largest manufacturers, and, in turn, have their own agencies in many cities of the United States and in foreign countries.

Their mail order department is the largest user of postage in the Wilmington post office. The open house is to last from 9 am to 9 pm.

1600 ATTEND MIDDLESEX COUNTY NATIONAL BANK ANNUAL OUTING

The holiday spirit was much in evidence on Monday evening, July 3rd, when the employees of the Middlesex County National Bank gathered at the North Shore Music Theatre in Beverly to see Carol Channing in 'Show Girl'. The event was the Bank's Annual Outing, and over 1600 people - directors, employees, families and friends attended the affair. The Bank took over the entire house for the evening, and it was filled to capacity.

Prior to the performance, Oliver T. Bergstrom, President of the Bank, made the presentation of Service Awards. 57 employees received awards for periods of service ranging from 5 to 25 years. There were 38 people in the 5-year group, 8 in the 10-year group, 6 in the 15-year group, and 5 who have been with the Bank for 25 years.

At the conclusion of the show Miss Channing was presented with a scroll naming her an Honorary Vice-President of the Bank. She declared herself impressed with the great honor, and promised to put all of her money into the Bank at the first opportunity.

This is the second year that the Bank has successfully held its outing at the North Shore Music Theatre. Dessert and coffee are served to all before the doors open.

IT'S GOING TO BE JOHN RITCHIE VERSUS EVERYBODY

John Ritchie, Wilmington Gendarme, is a man who is willing to tackle ten robbers single handed, if need be, in the line of duty.

But John Ritchie, Wilmington Sportsman, is going to have to tackle 10 ball players all by himself unless some of the younger Old Timers come to his rescue.

The Old Timers of Wilmington are planning a Hall of Fame Game, to be played July 23rd behind the High School. It's a part of the efforts to raise money for the growing Jeanne Ashworth European Trip Fund.

The High School players of 1932 - 1942 are well banded together, and have quite a formidable team, including such worthies as Wes Baker, Lefty Gracyk, Bob Baker, John Cuoco, Frank Del Torto, Bucky Backman, Walter Kirkell, and Vut Galka. They are even talking of importing some outside talent, for the game.

But John, in charge of recruiting a team of 'young' old Timers, (1943-52 High School players) has no team.

If he is seen flashing a light into some dark corner, while on duty nighttimes the chances are that he is not looking for a drunk or robber. He is looking for High School Alumni who can play ball, 1943-53 vintage.

And they are pretty hard to find.

Wes Baker, 8-3823, and Mayor George Spanos are in charge of recruiting talent, for either team. The Mayor can be reached by any one at OL 8-9061

NEW RURAL MAIL CARRIER

Robert Butters, 21 Middlesex Avenue, who has been appointed a Rural Mail Carrier in the Post Office Department, to fill the vacancy caused by the death of the late Joseph Henry

A descendant of Wilmington's first settler, Mr. Butters is 36 years old, and will be a carrier on one of the North Wilmington routes, now serviced by Tom Bailey. Mr. Bailey will take the former route of Mr. Surrette.

Butters will start his government service on July 22nd.

WILDCATS WIN CHAMPIONSHIP

Wilmington's Pony League Wildcats, by trouncing the Dee Pharmacy of Reading, wound up a season, Saturday night with 13 wins and no losses, to win the Pony League championship.

The 7 to 1 victory saw Jeff Williamson pitch a no-hitter, the Dees scoring one run on an error. Williamson struck out 18 batters.

Play offs are now being scheduled in the Pony League, with the fourth and third place teams scheduled to play, the winner to play the second place, and the winner of that game to play the Wildcats in a two out of three contest to determine the winner of the playoffs.

Some of the games will undoubtedly take place in Wilmington during the next two weeks.

The team roster includes Mike Farrell, Bob Smith, Frank Perdicaro, Jim Newhouse, Mike Anderson, Jim Gillis, Tom Grant, Ed Sullivan, Lynn Billings, Paul Currier, Frank Ingram, Ken Butler and Bruce Arnold. The manager is Bob Hastings and the coach is John Waugh.

PRIVATE MAIL TRUCK

Rural Mail Carrier Tom Bailey got tired of leaning out of the right hand window of his car and bought a right-hand drive Jeep truck, last week, so that he may drive up to mail boxes in comfort.

ST DOROTHY'S GIRLS TO ENTER STATE COMPETITION

Silver Lake girls who have played softball in the St. Dorothy's Softball team had a tough break this year.

In the past two years the girls had won the Lowell Deanery championship, and had gone on to win the State Semi-finals before being finally eliminated.

This year no other parish in the Lowell Diocese organized a girl's intermediate team, and the Wilmington girls had no one to play against. So - they had no team.

Now the Catholic Youth Organization headquarters in Boston has ruled that, where they had organized a team, and had no competition in the Lowell Diocese, the Wilmington girls were in effect the champions eligible to represent the Lowell Deanery in the State playoffs.

The team met yesterday for its first practice session of the season.

MR. BEDDEOS NOW NOTARY PUBLIC

Mr Earl P. Beddeos of North Street has been appointed a Notary Public according to Kevin H. White, Secretary of State.

The Governor submitted the nomination to the Executive Council and confirmation came at a recent meeting. Mr Beddeos term of office will expire in 1968.

As a Notary, the appointee will be able to carry out certain ministerial acts as defined in Chapter 222 of the Mass. General Laws and will be able to administer oaths or affirmations.

SELECTMEN IRED BY SCANTY CLOTHING

Selectmen Mrs Wavie Drew and Nick De Felice agreed with each other 100% in the Selectmen's meeting, Monday night on the subject of girl's clothing both on and away from the beach.

Both of the local solons agreed emphatically that there were too many cases of too short shorts, and too scanty bathing suits on the part of local young ladies.

They were told by Selectman Charles Black that the town had by-laws to cover the situation, where upon the two ceased their conversation.

The discussion came up as a result of Mr De Felice asking that the Town Counsel be asked to give an opinion on methods that the Selectmen could utilize to close up the Hathaway swimming pit, near the North Reading line. Mr. De Felice was disturbed because of several incidents which have taken place there and near there in past weeks.
